Drywall Accessories Catalog

I can provide you with the following accessories. Please ask me the price.

#18180 T.N.T. Multi-Purpose Compound

A tinted single package product that excels at all applications of drywall finishing (taping, Topping and finishing) .

It's ready-mixed formulation is creamy and smooth, giving it excellent slip, bond strength and easy workability.

#18045 Lightweight Red Dot All-Purpose Compound

This versatile, lightweight compound has an excellent working time and low shrinkage. It's lightweight formulation makes this product easier to handle and apply and sands very easily for better productivity. Use for all applications requiring a smooth finish.

Drywall Joint Tape

Drywall Joint Tape is a high-performing paper tape that has strong, cross-directional fibers with high tensile strength for use with CGC Joint Compounds to reinforce joints and corners in gypsum drywall interiors.

#4325 Magic Corner Expansion Bead

Magic Corner's exclusive expansion control with built in mud-lock eliminates edge cracking on all off-angle walls and vaulted ceilings. Use on any inside corner where movement is an issue to prevent cracks. We recommend 847 Spray to install Magic Corner easily.

#847 Trim-Tex Adhesive

847 Spray Adhesive is a high tack, pressure sensitive spray adhesive specifically designed and tested by our engineers to be used with Trim-Tex vinyl beads.

#0928 3/4" Archway Bullnose Finishing Tool

Cleans off the excess compound while helping to fill the slots with mud.

Please contact us as soon as possible because they may not be in stock always.

If we miss them, the delivery lead time will be about 2 months.

In accordance with requesting, I can get the other parts. At that time, we need the same lead time.
